PROFESSIONAL SUMMARY

Motivated BCA student with hands-on experience in MERN Stack and Frontend Development. Skilled in building responsive web applications using MongoDB, Express.js, React.js, Node.js, JavaScript, and Tailwind CSS. Experienced in API integration, CRUD operations, and developing user-friendly interfaces. Seeking a Software Developer or Frontend Developer role to apply technical skills and contribute to real-world projects.

EXPERIENCE

Intern – Web Developer

INTENEXT SOLUTION PVT.LTD PATNA

JUL 2025 – SEP 2025

- Developed a responsive vegetable shop website using React.js with modern UI components, interactive frontend design, and deployment on Vercel.
- Designed and developed the WDM (Work/Data Management) System – Frontend only using React.js and Tailwind CSS
- Designed full UI/UX layouts and implemented responsive features.
- Performed SEO optimization to improve organic traffic and keyword visibility across projects.

Intern – MERN Stack Development

SAIKET SYSTEM

OCTOBER 2025 – NOVEMBER 2025

I completed my internship at Saiket System Application, where I worked on MERN stack-based projects.

RK Mobile Shop

- Built a modern and responsive mobile shop website using React.js, Node.js, Express.js, and MongoDB.
- Developed dynamic product listing and enquiry features with seamless frontend-backend integration.
- Created secure REST APIs and integrated MongoDB for efficient product and customer data handling.
- Implemented admin panel functionalities with CRUD operations for managing website content and products.

PROJECT

JUNE 2025 – DECEMBER 2025

- *Ghoswari Hospital* : <https://ghoswari-hospital-fxvk.vercel.app/>

Developed a responsive hospital website using React.js to showcase hospital services, doctor information, and contact details. Designed a clean and user-friendly interface to improve accessibility and user experience.

- *RK Mobile Shop*/ <https://e-commerse-hxfr.vercel.app/>

Full-stack MERN web application with product management, customer enquiry system, admin dashboard, REST API integration, and MongoDB database connectivity. Dynamic recipe search app using React.js, API integration, and responsive UI.

CERTIFICATE

MERN Stack:

Earned certification in MERN Stack Development with practical knowledge of MongoDB, Express.js, React.js, and Node.js.
